

AI texts and calls. You focus on the loan.

LoanWick connects to Bonzo to text and call your leads, keep follow-ups going, and help book appointments with you.

What LoanWick does

Text conversations & AI calls

Starts conversations and answers replies.

Follow-ups

Follows up with the leads you choose.

Appointment scheduling

Helps book time around your availability.

Bonzo updates

Saves notes and helps keep lead status current.

What you do

Be the expert.

Give loan advice.

Build relationships.

Guide the loan process.

Keep control.

Pick your bot and hours.

Review conversations.

Pause outreach any time.

A simple way to get started.

1 Connect Bonzo

Connect your existing Bonzo account.

2 Set your rules

Choose your leads, bot and work hours.

3 Get approved

Outreach stays off until your setup is approved.

Outreach and calling require setup and approval. Use fictional details in the demo.

TRY THE AI YOURSELF

Call (949) 691-0086

Ask a question. Hear how it responds.
